

**NATIONAL OFFICE FOR TECHNOLOGY ACQUISITION AND PROMOTION (NOTAP)
NOTAP-INDUSTRY TECHNOLOGY TRANSFER FELLOWSHIPS (NITTF)**

Application Form

The NOTAP-Industry Technology Transfer Fellowship (NITTF) is a techno-PPP platform designed to create indigenous critical technological competences of elite applied knowledge workers in Nigeria through special PhD programmes tenable in Nigerian Universities. The support is for a maximum period of 4 years to be jointly implemented by NOTAP and Industry. The fellows will basically be all future academic workers in Universities and Research Institutes and will be required to enter into clear contracts/agreements with NOTAP, Industry/Research Institute such that close relationship will be developed during the study period and after completing their studies, they will return as lecturers or Researchers in the universities or Research Institutes (RIs). This mode of fellowship will ensure speedy technology transfer.
